Overall Report: Majority of B.Pharm final year students had actively participated in this session and have expressed their positive feedback.

Campus recruitment training program (CRT) was helpful to the students to prepare for the recruitment process for IT and non-IT companies.

CRT programs helped the students :

- To develop communication, leadership, problem-solving, and teamwork skills
- To prepare for job interviews and networking events
- To gain insights through guided interactive activities
- To gain knowledge and self-confidence
- To become competent in grabbing job opportunities
- To project themselves as the right candidates to IT companies

Overall Report: A Session on Animal handling in pharmacology experiments was delivered by Dr.K.Mahesh.

He covered all the aspects and process related to Animal handling. They also gave detailed knowledge and training to prepare for the Handling of animals. This lecture provided an insight to the students for their professional growth and development.

The hands-on training is accompanied by theoretical lectures on the principle, applications and advances of these tools and techniques. The session overall objective is to make students and early-career investigators conversant in laboratory animal handling techniques, ethics & care, as well as research opportunities.

In addition, this training is helpful to students think of alternative careers by providing the basis for them to become experts in animal handling, histopathology and different imaging techniques that are in high demand in current research facilities.

This course can create career opportunities in abroad.

This program aims to equip participants with fundamental skills and knowledge essential for ethical and proficient laboratory animal handling and research practices.

Report of the Event –Awareness of Advanced Spectroscopic techniques

Speaker: Dr. Malik

About Speaker: Dr. Malik , QA Manager in Reddy's Lab has delivered many sessions and is a Certified Trainer in Quality analysis. He has more than 12+ years of experience in conducting training sessions for students.

Target Audience: Pharm.D 4th year Students.

Date & Time: 13th Apr 2019 from 11.30 a.m to 1.00 p.m

Venue: AIPS Seminar Hall.

Topics Covered:

- Spectroscopy
- Raman spectroscopy
- IR Spectroscopy
- Spectroscopic Properties
- Nuclear magnetic resonance spectroscopy
- Fluroscence spectroscopy
- UV spectroscopy

Overall Report: Majority of students had actively participated in this session and have expressed their positive feedback.

This session has helped the students to understand the spectroscopy and gathered many inputs and this is helpful in Qualitative analysis, which would help them in Q.C and Q.A departments in industries.
