Activities of Training and Placement cell:

Training and Placement cell is providing training programs and conducts on-campus and off-campus placement drives to place the students in reputed organisations.

Campus Recruitment Training (CRT):

This program is designed to aid candidates in their preparation for recruitment through on/off campus drives. Students can make use of this program to get trained to deliver their best in the selection processes of organisations.

Career Counselling and Guidance:

We provide career counselling and guidance to our students from the day one so that they develop strong opinion on their future in pharmacy and helps them to understand various opportunities that are available for them in market.

Soft skills Training:

Providing soft skills training enables students to think outside the box both creatively and critically. Using these skills, they will be able to weigh up their options in their careers and make more accurate decisions.

Communication Skills development:

Being able to communicate effectively is perhaps the most important of all life skills. We train our students to excel in communication skills.

Interview preparations :

We train our students to face the interviews confidently so that they can crack the job. We conduct demo sessions, mock interviews to enhance their performance in final interview.

Technical writing and resume writing:

We train our students in writing technical document so that they can put forth their knowledge on papers and create a good impact. In any interview resume plays a key role. We provide clear guidance to our students regarding resume writing so that they can represent themselves properly on papers.
