- "Worlds Environment Day" was celebrated by Avanthi Institute of Pharmaceutical Sciences on 05-06-2019.
- This is a major event for us, providing a forum for people to unite and take on urgent environmental issues. We concentrate on a particular topic to draw attention to an important environmental issue that is relevant to today's world issues and inspire group action. The day is filled with a variety of events, activities, and projects planned by worldwide governments, corporations, schools, and communities.
- One of the initiatives to counteract deforestation and support reforestation is tree planting. Clean-up campaigns involve people taking part in clean-up tasks to address garbage, litter, and plastic pollution in their local areas.
- Promoting worldwide awareness and action for environmental conservation is the main objective. It highlights the significance of both individual and group initiatives in advancing sustainable practices.
- On this occasion Dr. Nihar addressed the event by giving the speech on Environment Day importance.
- Awareness on various measures of saving Environment and say no to plastic.
- The NSS team, A. Anil, NSS officer and Mrs. Rajsekhar organized the event.
