### Description :

- Many children have more hunger for love than the hunger for food. It is easier to donate food than to shower love. Upon noticing that children from orphanages need a better company to play with or share their thoughts with, We, NSS students, felt that orphanage visits would help them. Hence, we started this event and found students who participated expressed their contentment.
- "NSS Day" was celebrated by Avanthi institute of Pharmaceutical sciences on 24-09-2021.
- On this occasion addressed the event by providing food to the children.
- Conducted Adoption of orphanage organization
- NSS officer G. Srinivas and NSS team organised the events like speeches for staff and students.

### Description :

- Gender sensitization is the process of making people more aware of issues related to gender equality. People can analyse the realities of both sexes and examine their own attitudes and views with its assistance. Gender sensitization aims to educate people on the distinctions between sex and gender, the social construction of gender, and the myths around gender roles. It assists them in distinguishing between stereotyped and legitimate gender preconceptions. To raise awareness among working professionals of the value of gender sensitivity in organizations, gender sensitization is necessary. A person may not be able to comprehend someone of the other gender if they are not considerate of their requirements. Gender is learned behaviour based on what is expected of men and women in society. The groups most at risk are women and children.
- “GENDER EQUALITY” was conducted by Avanthi institute of Pharmaceutical Sciences on 26-08-2021
- On this occasion principal Dr.k.Balaji sir have addressed the event by speech.
- Conducted Rally on gender equality.
- NSS officer P.V. Pavan Kumar and NSS team organized the events like speeches for staff and students.

### Description :

- The Beti Bachao Beti Padhao (BBBP) Scheme aims to tackle issues related to women's and girls' empowerment throughout their lives as well as the decreasing child-sex ratio (CSR).
- AIPS has long supported women's rights and gender equity.
- The primary purpose of media advocacy spending in the program's early phases was to create awareness and inspire behavioural change, as the goal of the BBBP is to change society's beliefs regarding the worth of female children. - Held the Beti Bachao Beti Padhao Rally to raise public awareness
- The NSS team, Mrs. Rajsekhar, the NSS officer, and P.V.Pavan Kumar coordinated the programme
