Description :

- Avanthi Institute of Pharmaceutical Sciences conducted an event, To Raise awareness about the importance of Nutrition values for the Orphans on NSS DAY on August 21, 2022.
- A large portion of our health comes from the nutrition we eat. Sufficient nutrition is essential for maintaining a strong immune system and overall health, making it a vital demand for society. However, this period also put the Indian people in the worst possible situation—they were unable to pay for their daily meals. On this occasion, food was provided to the Ayyas and poor children.
- Adopted an organization that cares for orphans.
- NSS volunteers all raised money based on their individual financial situations. A large number of volunteers have helped to raise money for the underprivileged. Third-year volunteers handled this process with extreme care.
- The NSS team, A. Anil Kumar, NSS officer and Mr. Rajsekhar organized the event.

Description :

- "Worlds Environment Day" was celebrated by Avanathi Institute of Pharmaceutical Sciences on 05-06-2023.
- This is a major event for us, providing a forum for people to unite and take on urgent environmental issues. We concentrate on a particular topic to draw attention to an important environmental issue that is relevant to today's world issues and inspire group action. The day is filled with a variety of events, activities, and projects planned by worldwide governments, corporations, schools, and communities.
- One of the initiatives to counteract deforestation and support reforestation is tree planting. Clean-up campaigns involve people taking part in clean-up tasks to address garbage, litter, and plastic pollution in their local areas.
- Promoting worldwide awareness and action for environmental conservation is the main objective. It highlights the significance of both individual and group initiatives in advancing sustainable practices.
- On this occasion Dr.RK addressed the event by giving the speech on Environment Day importance.
- Awareness on various measures of saving Environment and say no to plastic.
- The NSS team, A. Anil, NSS officer and Mrs. Rajsekhar organized the event.

Description :

- “ **International AIDS Day Awareness Campaign**” was conducted by Avanthi institute of Pharmaceutical Sciences on 01-12-2022
- On this occasion principal Dr.k.Balaji has addressed the event.
- Our project aims to increase public knowledge of HIV/AIDS, provide assistance to individuals afflicted by the virus, and honour those who have passed away from AIDS-related illnesses. This awareness offers a chance to bring people together in the battle against HIV, express empathy for the millions of people infected with the virus, and highlight the significance of treatment access, testing, and prevention. Numerous activities are held to commemorate the day, including as memorial services, educational initiatives, and campaigns to lessen the stigma attached to HIV/AIDS. During this period, the red ribbon-a sign of solidarity and awareness for individuals living with HIV-is widely seen. We provide an essential forum for promoting international cooperation in order to eventually realize the objective of an AIDS-free age.
- Conducted a rally on World AIDS Day.
- The NSS team, A. Anil, NSS officer and Mrs. Rajsekhar organized the event.

Description :

- The goal of the Beti Bachao Beti Padhao (BBBP) Scheme is to address the declining child-sex ratio (CSR) and concerns associated to women's and girls' empowerment throughout their lives.
- Since the goal of the BBBP is to change society's attitudes about the value of female children, media advocacy spending was primarily allocated in the program's early phases to raise awareness and encourage behavioural change.
- AIPS has always championed women's rights and gender equity. A large number of women working in the institute is an indication of its commitment towards equity.
- The principal of AIPS, Dr. K. Balaji, spoke at this occasion.
- Conducted Beti Bachao Beti Padhao Rally to promote awareness among the people.
- The NSS team, A. Anil, NSS officer and Mrs. Rajsekhar organized the event.

Description :

- The World Earth Day events, which have been held on April 22nd year since 1970, are crucial in bringing attention to environmental challenges. "Invest in Our Planet" was this year's World Earth Day theme, according to earthday.org. "We need to "Invest in Our Planet" as a group in order to transform the corporate, political, and climate change environments. The world and its inhabitants will both be healthier the better our ecosystems are. The chief guest made a point of discussing pollution, how to prevent it, and how each person can help save Mother Earth.
- Dr. K. Balaji, the AIPS principal, gave a speech on this occasion.
- The NSS team, A. Anil, NSS officer and Mrs. Rajsekhar organized the event.

Description :

- National Youth Day (2023): also known as Rashtriya Yuva Diwas, it is observed on January 12 of every year. One of the greatest philosophers and spiritual teachers, Swami Vivekananda, was born on this day, hence it is celebrated.
- Every child, in his opinion, possesses "muscles of iron" and "nerves of steel," which can effect social change. He saw hope for the future in each child. Swami was a living example of the youth's boundless vitality and their unwavering pursuit of truth Dr. Nihar Ranjan Das, Vice Principal has delivered the felicitation speech, emphasizing the value of young people's contributions to accomplishments. Dr. K. Balaji, Principal has led the presidential address and he wished the youth to stand in front as leaders and accomplish all the tasks it great energy.

Description :

- World Humanitarian Day on August 19 honours humanitarian aid workers all over the world. Established by the UN in 2009, this day commemorates the anniversary of the bombing of the United Nations headquarters in Iraq. 22 people lost their lives, including the UN's High Commissioner for Human Rights.
- Humanitarian aid workers provide life-saving assistance to suffering people all over the world. Those workers who live in conflict zones or in areas devastated by natural disasters are especially vulnerable. Anyone and everyone can be a humanitarian, so read on to learn more about the day and how you can help.
- This is the day to honour all those workers who continue their service to provide support and protection to people in need. On one occasion of this holiday, people celebrated with the theme 'Human Race'. This holiday is a commemoration, but it can also be exciting and fun!
- Dr. K. Balaji, Principal of the college has addressed the gathering and spoke that Humanitarian issues must bring together all people who act in good faith trying to alleviate the suffering of people in dire need especially women, children and the elderly”.
- Our 4th year B.pharm students have served food for the poor people and expressed their gratitude towards humans.

Description :

- In March 2021, the United Nations General Assembly approved India's request to declare this year, 2023, as the International Year of Millets, taking into account the world's population growth and the potential of millets as a cost-effective and nutrient-dense dietary choice. Millets are a broad category of grains that include little, kodo, barnyard, proso, foxtail, and pearl.
- A wide range of cereals are categorized as millets, such as fonio, sorghum (also known as giant millet), teff, pearl, proso, foxtail, barnyard, small, kodo, brown top, finger, and Guinea millets. In India, they provide millions of people with a significant source of food. Food security is ensured in locations where they are culturally relevant and are firmly ingrained in the culture and traditions of Indigenous Peoples.
- Our students of Pharm.D made posters and participated in the programme and explained about nutrition and healthy balanced diet.

Description :

- The students of Avanthi Institute of Pharmaceutical Sciences celebrated the World Day against Child Labour on 12th June, 2023 under the NSS unit. The International Labour Organization (ILO) started observing World Day against Child Labour in 2023 with an aim to highlight the plight of children who are the victims of child labour. The day serves as a catalyst to take forward the global movement against the practice. The theme for this year is "Universal Social Protection to End Child Labour".
- The students spread the awareness by preparing posters to stop child labour. They requested people to stop the cruel system as it deprives children from their childhood, their potential and their dignity and that is harmful to physical and mental health". Their main aim was to educate people and ask them to Stop Child Labour, Protect the right of children, educate them, and support them. They also tried to spread joy by chocolates and snacks to the child labourers to bring smiles to their faces.

Description :

- Students participated in the talk Titled “Save Water and The Impact of Social Media” conducted by AIPS. Resource person from OSMANIA UNIVERSITY interacted with the students to create awareness on the importance of conserving the resources for better future and enlightening the students on impact of social media on the society. Students from different streams belonging to NSS CELL actively participated and had a discussion on the above theme. They realized the importance of saving water for sustainable development. They also understood the wide array of sectors that social media influences.
- Various Topics on water conservation such as rain water harvesting is dealt in environmental science course. The students are encouraged to make projects and prepare power point presentations on such topics in order to create more awareness among their peers. In this regard NSS volunteers of the college have been actively creating awareness on water conservation by making posters and discussing it with their peers. This activity has been carried out at **KVK COLLEGE OF PHARMACY** on 21-03-2023.
