ABOUT PROGRAM

Methodology plays a significant role to shape the nature and process of research and its outcomes. The course will focus on theoretical and practical inputs on different stages of research that expose the scholars to relevant for quantitative and qualitative traditions. The present workshop will help to address various research issues and enrich the scholars in social sciences on research methodology. This workshop on data analysis can help to provide insights for high impact research especially for the researchers in social sciences. A real-world example will be used to illustrate concepts/methods and highlight common challenges associated with designing and implementing research methods with eminent subject matter experts.

ABOUT PROGRAM

Research papers are similar to academic essays, but they are usually longer and more detailed assignments, designed to assess not only your writing skills but also your skills in scholarly research. Writing a research paper requires you to demonstrate a strong knowledge of your topic, engage with a variety of sources, and make an original contribution to the debate.

ABOUT AVANTHI

Avanthi Educational Society started its journey under the eminent Leadership of Sri M. Srinivasa Rao Garu, Member of Parliament, Anakapalli. Under his chairmanship, the group has made a remarkable stride in the field of education offering several courses in Under Graduate, Post Graduate, Engineering and Pharmacy Programs. This milestone is achieved as the institutions impart quality and career oriented education, countering the challenges of modern world through dedication, determination, prompt execution and innovative ideas of our academic council. Today, Avanthi Educational Society is proud to have a strength of over 16000 students with 15 institutions under its ambit.

ABOUT PROGRAM

Research papers are similar to academic essays, but they are usually longer and more detailed assignments, designed to assess not only your writing skills but also your skills in scholarly research. Writing a research paper requires you to demonstrate a strong knowledge of your topic, engage with a variety of sources, and make an original contribution to the debate.

ABOUT AVANTHI

Avanthi Educational Society started its journey under the eminent Leadership of Sri M. Srinivasa Rao Garu, Member of Parliament, Anakapalli. Under his chairmanship, the group has made a remarkable stride in the field of education offering several courses in Under Graduate, Post Graduate, Engineering and Pharmacy Programs. This milestone is achieved as the institutions impart quality and career oriented education, countering the challenges of modern world through dedication, determination, prompt execution and innovative ideas of our academic council. Today, Avanthi Educational Society is proud to have a strength of over 16000 students with 15 institutions under its ambit.

ABOUT PROGRAM

Herbal medicines or supplements are natural compounds from plants' leaves, bark, roots, seeds, or flowers that people can use for medicinal purposes. They may offer therapeutic benefits when people use them as complementary medicine.

ABOUT AVANTHI

Avanthi Educational Society started its journey under the eminent Leadership of Sri M. Srinivasa Rao Garu, Member of Parliament, Anakapalli. Under his chairmanship, the group has made a remarkable stride in the field of education offering several courses in Under Graduate, Post Graduate, Engineering and Pharmacy Programs. This milestone is achieved as the institutions impart quality and career oriented education, countering the challenges of modern world through dedication, determination, prompt execution and innovative ideas of our academic council. Today, Avanthi Educational Society is proud to have a strength of over 16000 students with 15 institutions under its ambit.

ABOUT PROGRAM

The word health refers to a state of complete emotional, mental, and physical well-being. Healthcare exists to help people stay well in these key areas of life. Health and first aid plays important role in life. When you provide. Basic medical care to someone experiencing a sudden injury or illness, it's known as first aid. When faced with unexpected medical emergencies, the absence of immediate aid presents significant challenges, potentially leading to severe consequences. This emphasizes the crucial role of timely First Aid, which has the potential to save many lives. Thus, understanding the Importance of First Aid can help you deal with critical situations effectively.

ABOUT AVANTHI

Avanthi Educational Society started its journey under the eminent Leadership of Sri M. Srinivasa Rao Garu, Member of Parliament, Anakapalli. Under his chairmanship, the group has made a remarkable stride in the field of education offering several courses in Under Graduate, Post Graduate, Engineering and Pharmacy Programs. This milestone is achieved as the institutions impart quality and career oriented education, countering the challenges of modern world through dedication, determination, prompt execution and innovative ideas of our academic council. Today, Avanthi Educational Society is proud to have a strength of over 16000 students with 15 institutions under its ambit.

ABOUT PROGRAM

Social relationships are known to affect health and survival to an extent comparable with smoking. Women and men differ in the number and size of different types of social relationships and in the health impacts. Several health-related behaviors are likely to mediate this link for some but not all aspects of a person's social context. Diet is a strong candidate for systematic examination along the pathway between social relationships and health so as to better inform chronic disease prevention and promotion of healthy ageing.

ABOUT AVANTHI

Avanthi Educational Society started its journey under the eminent Leadership of Sri M. Srinivasa Rao Garu, Member of Parliament, Anakapalli. Under his chairmanship, the group has made a remarkable stride in the field of education offering several courses in Under Graduate, Post Graduate, Engineering and Pharmacy Programs. This milestone is achieved as the institutions impart quality and career oriented education, countering the challenges of modern world through dedication, determination, prompt execution and innovative ideas of our academic council. Today, Avanthi Educational Society is proud to have a strength of over 16000 students with 15 institutions under its ambit.

ABOUT PROGRAM

Career counselling is a systematic process that helps an individual understand one's self, as well as the world of work, to choose the right career. It is the process of helping students and professionals to analyse their strengths, interests, abilities and skills.

ABOUT AVANTHI

Avanthi Educational Society started its journey under the eminent Leadership of Sri M. Srinivasa Rao Garu, Member of Parliament, Anakapalli. Under his chairmanship, the group has made a remarkable stride in the field of education offering several courses in Under Graduate, Post Graduate, Engineering and Pharmacy Programs. This milestone is achieved as the institutions impart quality and career oriented education, countering the challenges of modern world through dedication, determination, prompt execution and innovative ideas of our academic council. Today, Avanthi Educational Society is proud to have a strength of over 16000 students with 15 institutions under its ambit.

ABOUT PROGRAM

Chromatography is a separation method where the analyte is combined within a liquid or gaseous mobile phase, which is pumped through a stationary phase. Usually one phase is hydrophilic and the other is lipophilic. The components of the analyte interact differently with these two phases. Depending on their polarity they spend more or less time interacting with the stationary phase and are thus retarded to a greater or lesser extent.

ABOUT AVANTHI

Avanthi Educational Society started its journey under the eminent Leadership of Sri M. Srinivasa Rao Garu, Member of Parliament, Anakapalli. Under his chairmanship, the group has made a remarkable stride in the field of education offering several courses in Under Graduate, Post Graduate, Engineering and Pharmacy Programs. This milestone is achieved as the institutions impart quality and career oriented education, countering the challenges of modern world through dedication, determination, prompt execution and innovative ideas of our academic council. Today, Avanthi Educational Society is proud to have a strength of over 16000 students with 15 institutions under its ambit.

ABOUT PROGRAM

Medicinal plants, also called medicinal herbs, have been discovered and used in traditional medicine practices since prehistoric times. Medicinal plants are widely used as folk medicine in non-industrialized societies, mainly because they are readily available and cheaper than modern medicines. Medicinal plants are used with the intention of maintaining health, to be administered for a specific condition, or both, whether in modern medicine or in traditional medicine

ABOUT AVANTHI

Avanthi Avanthi Educational Society started its journey under the eminent Leadership of Sri M. Srinivasa Rao Garu, Member of Parliament, Anakapalli. Under his chairmanship, the group has made a remarkable stride in the field of education offering several courses in Under Graduate, Post Graduate, Engineering and Pharmacy Programs. This milestone is achieved as the institutions impart quality and career oriented education, countering the challenges of modern world through dedication, determination, prompt execution and innovative ideas of our academic council. Today, Avanthi Educational Society is proud to have a strength of over 16000 students with 15 institutions under its ambit.

ABOUT PROGRAM

Green chemistry (sometimes referred to as sustainable chemistry) is the branch of chemistry that deals with the design and optimization of processes and products in order to lower, or remove altogether, the production and use of toxic substances. Green chemistry is not the same as environmental chemistry.

GREEN CHEMISTRY

Course code: VAC212211

Duration of course: 10-04-2023 to 14-04-2023

Duration of hours: 36 Hours

Timings: 9:30Am to 4:30Pm

Name of the Resource person: Mrs. Swapna Rani, Associate Professor, AIPS.

Name of the coordinator: S. SWATHI, Assistant Professor, AIPS.

Number of students registered: 27

Number students benefited: 26

Topics covered:

- Introduction to Green chemistry
- Green reagent and solvents.
- Future of green chemistry.

ABOUT AVANTHI

Avanthi Educational Society started its journey under the eminent Leadership of Sri M. Srinivasa Rao Garu, Member of Parliament, Anakapalli. Under his chairmanship, the group has made a remarkable stride in the field of education offering several courses in Under Graduate, Post Graduate, Engineering and Pharmacy Programs. This milestone is achieved as the institutions impart quality and career oriented education, countering the challenges of modern world through dedication, determination, prompt execution and innovative ideas of our academic council. Today, Avanthi Educational Society is proud to have a strength of over 16000 students with 15 institutions under its ambit.

ABOUT PROGRAM

Computer Aided Drug Design (CADD) is one of the most important aspect includes finding, analyzing and developing the active compounds by computerized method. The use of CADD methodologies speed up the early stages while guiding up drug discovery.
