MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after called as the 'MOU') is entered in to on this **21st DAY of February month, 2021** by and between

AVANTHI INSTITUTE OF PHARMACEUTICAL SCIENCES, GUNTHAPALLY(V), ABDULLAPURMET(M), R.R DISTRICT, HYDERABAD, THE FIRST PARTY represented herein referred as "AIPS"

AND

SS PHARMA SOLUTIONS, PLOT NO:8/P, 2ND FLOOR, BESIDE ALEAP MAINGATE, PRAGATHINAGAR, HYDERABAD, TELANGANA-500090, THESECOND PARTY represented herein referred by **SSPS**.

PURPOSE OF MOU

In particular ,this MOU is intended to

1. AIPS will connect students with SSPS for project work, PhD work and any supporting analysis.
2. AIPS will Support awareness for SSPS by informing students through e-mail, circular or board notices about services of SSPS and how to utilize.
3. AIPS will Support by allowing SSPS team to conduct planned seminars, awareness programs, evaluation and assessment tests and campus drives and other beneficial programs for students and AIPS.
4. SSPS assess the skills of students required for pharma industries using skill gap analysis and provide proper skill development programs at "AIPS" or at premises of SSPS.
5. SSPS provide industry job oriented certificate training programs on paid basis.
6. SSPS provide free web based or app based platform or through social media to students to find jobs.
7. SSPS help AIPS and their students to understand gaps in skills and areas of improvement required as per pharma industry expectations.
8. SSPS will provide assistance for project work/ PhD work on contract basis/ Paid service basis.
9. Arrange the placement of trained students on free basis.

SS Pharma Solutions

We connect your goal

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The co-operation between AIPS and SSPS will facilitate effective utilization of the intellectual capabilities of the SSPS providing significant inputs to them in developing suitable teaching/training systems, keeping in mind the needs of the AIPS.

Clause 2

SCOPE OF THE MOU

- 2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge and to provide placements.
- 2.2 SSPS will give valuable inputs to the AIPS in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.
- 2.3 The interaction between Industry and Community College Centre will give an insight into the latest developments /requirements of the industries; the SSPS to permit the Faculty and Students of the AIPS to visit its group companies and also involve in Industrial Training Programs for the AIPS. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. SSPS will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with AIPS on mutual agreement according to SOW (Scope of work).
- 2.4 SSPS will train the students of AIPS on the emerging technologies in order to bridge the gap in skill and make them ready for industry.
- 2.5 SSPS will extend the necessary support to deliver guest lectures to the students of AIPS on the technology trends and in house requirements.
- 2.6 SSPS will actively engage to help the delivery of the training and placement of students of AIPS into internships/jobs.

SS Pharma Solutions
We connect your goal

Clause 3

VALIDITY

- 3.1 The validity of the agreement is two years from the date of agreement.
- 3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.
- 3.3 Any disputes will be settled in by mutual meetings and discussions smoothly or under any third party mediation.

8. Termination

- Either party may terminate this MoU on mutual understanding by giving 3 (three) months notice in writing served on other.
- The parties of the MoU understand that, where a course, as aforesaid, is under continuance, the termination shall take effect only on completion of the subsisting course.
- Save as otherwise set out in this MoU, the termination of this MoU howsoever arising is without prejudice to the rights, duties and liabilities of either party accrued prior to termination.

9. Confidentiality

Each party here to agree with the other:

- To keep information in strict confidence and secrecy.
 - Not to use the information save for complying with its obligations under this MoU.
- Not to disclose the same to a third party other than the party's professional advisers and such employees of the other party on a need to know basis as per requirements of this MoU, who are under a similar duty to protect confidential information, or any third party having a legal right to obtain disclosure thereof.
 - The restrictions contained in above clause shall apply to both the parties during the term of and for (one) year after the termination of this MoU but shall cease to apply to information or knowledge which:
 - Has in it's entirely become public knowledge otherwise than through any unauthorized disclosure or other breach of such restriction.
 - The other party has consented in writing to the same being disclosed.
 - Is or has been independently developed by the other party without reference to or use of the confidential information.

Each party designates the single point of contact person (SPOC), **Dr.K.B. BALAJI, Principal, MIPS, FIRST PARTY** and **RAVI KUMAR (Founder and CEO), Director - JRS LABS Pvt Ltd, Hyderabad** from **SECOND PARTY**.

Dispute Resolution Any disputes and differences whatsoever arising under or in connection with this MoU will be settled by parties through negotiations, within the period of thirty (30) working days from the service of the notice. This agreement will remain in effect for the period of 1 years, unless terminated earlier by either institution.

Notwithstanding the above, the period of this co-operation will, if necessary be extended with consent in writing from the parties.

MEMORANDUM OF UNDERSTANDING

BETWEEN

SIXPHRASE-Edutech Private Limited

AND

AVANTHI INSTITUTE OF PHARMACEUTICAL
SCIENCES

This Memorandum of Understanding is being entered into on the below
Mentioned date between:

SIXPHRASE-Edutech Private Limited

And

Avanthi Institute of Pharmaceutical Sciences

With a specific purpose of bringing the Pharmacy(B-Pharma, M-Pharma) students of AIPS nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTU, Hyderabad, located at VIII: Gunthapally, Hayatnagar Mandal, RR District, is an AICTE, and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas SIXPHRASE-Edutech Private Limited located at 7 GKD Nagar, PN Palayam, COIMBATORE, Tamil Nadu, is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipment's. With an innovative and in house R it D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both MET and SIXPHRASE-Edutech Private Limited understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5. It is the intent of the CEO of SIXPHRASE-Edutech Private Limited and the principal of AIET to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.
- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,

- Necessary exposure as and when required by the students & Faculties for fulfillment of academic criteria like Value Added Courses, workshops ,Seminars, Faculty Development Programmes will also be provided in a planned schedule,
- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,
- This understanding is envisaged to be in place for one year from the date of this agreement and may be extended by suitable periods decided during reviews,
- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties Avanthi Institute Pharmaceutical Sciences, Hayatnagar and SIXPHRASE Edutech Private Limited, Hyderabad, put their respective endorsement on this Memorandum of Understanding on this 12th of August 2019 and it continues till 13th of August 2020.

Article 1. Scope

1.1 The budding graduates from the institution could play a key role in technological upgradation, innovation and competitiveness of an industry. Both parties believe that close cooperation between the two would be of major benefit to the student community to enhance their skills and knowledge.

1.2 Curriculum design: Second party will give valuable inputs to the first party in teaching/training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

1.3 Industrial training and visits: Industry and institution interaction will give an insight into the latest development/ requirements of the industries; the second party to permit the faculty and students of the first party to visit its group companies and also involve in industrial training programs for the first party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The second party will provide its labs/ workshops/ industrial sites for the hands-on training of the learners enrolled with the first party.

1.4 Internships and placements of students: Second party will actively engage to help the delivery of the internship and placement of students of the first party into internship/ jobs as per AICTE internship policy. The second party will also register itself on AICTE internship policy portal for disseminating the internship opportunities available with them.

1.5 Research and development: Both parties have agreed to carry out the joint research activities.

1.6 Skill development programs: Second party to train the students of first party on the emerging technologies in order to bridge the skill gap and make them industry ready.

1.7 Guest lectures: Second party to extend the necessary support to deliver guest lectures to students of the first party on the technology trends and inhouse requirements.

1.8 There shall be an exchange of students/ employee for academic, research and training purposes. The duration of exchange visits will be determined by mutual consent between both the parties.

1.9 Sharing or creation of educational materials and resources will be done by the both parties.

1.10 Joint Academic Meetings, Workshop, Conference and other events will be organized by the both parties.

There is no financial commitment on the part of the first party to take up any program mentioned in the MOU. If there is any financial consideration, it will be dealt separately.

Article 2. Management

2.1 Registrar and Principal/Dean of the First party and the Director of the company of the Second party will be responsible to work out operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.

2.2 The Advisory Committee will meet at least once in a year alternatively in the premise of the First party and the Second party to review the activities. This meeting shall include presentation on the academic and research activities, which should be open to the students, faculty and employee.

Article 3. Exchange of Information

3.1 The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MoU.

3.2. The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish or disseminate such information for any and all purposes.

Article 4. General Provisions

4.1 It is understood that the First party and the Second party subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, caste or religion. Both the Institutions shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students, which violate principles of non-discrimination.

4.2 All questions related to this MoU arising during its term will be settled by the parties by mutual agreement. Disagreements at the operating level shall be forwarded to respective higher officials for appropriate resolution failing which an arbitrator of mutual acceptance may be identified for the settlement of dispute, if any.

4.3 All questions not foreseen related to this MoU will be handled by the parties by mutual agreement.

4.4 Nothing in this MoU is intended to affect other cooperation or collaborations between the Parties.

Article 5. Entry into effect, modification and termination

5.1 This MoU shall become effective on the date it is signed by the parties and shall be valid for one year extendable up to five years. Both parties shall review the status of the MoU at the end of each year period to determine any modification, whenever necessary. The period of validity of this MoU may be extended by mutual consent up to five years. This MoU may be amended by mutual written agreement and may be terminated at any time by either party upon written notification signed by the competent authority of the party initiating termination. Such notification must be given to the other party at least six months in advance from the effective date of termination.

5.2 All joint activities not completed at the expiration or termination of the MoU may be continued until their completion under the terms of this MoU.

5.3 No amendment or modification of the MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be amendment of the MoU. The modifications/changes shall become part of the MoU and shall be effective from the date on which they are made/executed, unless otherwise agreed to.

This MoU has been executed in two originals, one of which has been retained by the First party and the other by the Second party).

In witness whereof, the parties have executed this MoU and represent that they approve, accept and agree to terms contained herein.
