Most students will obtain a visa by applying for a Student visa from the UK Government. In order to apply for this visa, you will require a Confirmation of Acceptance for Study (CAS) number issued by the University of Greenwich. The University will begin the CAS issuance process once you have paid the £3,000 pre-registration deposit, or have provided proof of sufficient financial sponsorship. You must also complete other pre-CAS issuance checks. More information on the visa requirements can be found [here](#). If you are unsure whether you require a Student visa, please email us at casrequests@gre.ac.uk.

Further guidance on visas and immigration can be found on the [UK Government website](#). For independent advice, you can refer to [UKCISA Guidance](#).
