### 3. PROCEDURE

Conducting the departmental evaluation is the sole responsibility of the Department Head (HOD) and will not be delegated to any other member of the department unless it is approved by the principal. However, and in alignment with the rules, the Head can seek help from the other faculty members to conduct specific tasks in the evaluation process, though it is recommended it is kept to the minimum.

#### The procedure is as follows:

1. The evaluation system is applied to all Regular Faculty members working in Avanthi Institute of Pharmaceutical Sciences. Regular faculty members are full-time individuals who hold full professional ranks and are appointed by the institute.
2. During the first week of Jun every year, each Department Head convenes a department meeting during which the Evaluation Elements cited above is informed and discussed in detail.
