## 6.3.3 Annual Reports Highlighting the Programmes undertaken by the Teachers

The FDP is designed to enhance the skills of the teaching and non-teaching staff and it is aimed at familiarizing the participants about the latest trends and techniques. FDP programmes to cover areas such as technical education policy, new concepts, methods and techniques, theory and skills development .

In pursuance of the action plan for performance evaluation assessment and accreditation and quality up gradation of institutions IQAC is established. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. So for educational institutions, it's a major role to involve the entire faculty in research activities. With regard to this, AIPS College established IQAC in order to increase the involvement of faculty in such activities

The IQAC has also brought improvement strategies in facilitating the learner-centric environment towards quality education and faculty development. Usage of technology increased with a focus on participatory teaching learning process. The institution is constantly and consistently making steps to turn its weaknesses into strengths, in accordance with the IQAC. During the academic years 2018-2023 the IQAC encouraged the faculty members to participate in various Faculty Development Programmes ,Paper publication , Professional Development Programmes, Orientation / Induction Programmes, Refresher Courses, Short-Term Courses etc.
