## ABOUT THE PROGRAM

The Faculty Development Program on the Role of Pharmacists in Overcoming COVID-19 equips educators with essential knowledge and skills to educate future pharmacists on their crucial role in pandemic response. Through workshops and seminars, participants delve into topics such as medication management, vaccination campaigns, point-of-care testing, and patient counseling specific to COVID-19. This program empowers faculty members to integrate pandemic-related content into their curricula, ensuring graduates are prepared to address public health emergencies and contribute effectively to healthcare teams combating COVID-19.
