Ranga Reddy Dist.

ABOUT THE PROGRAM

A Faculty Development Program (FDP) on Research and Development (R&D) in pharmacy equips faculty members with essential skills and knowledge to conduct impactful research. Through comprehensive curriculum covering research methodology, grant writing, and ethics, participants gain practical experience via hands-on training and mentorship. Guest lectures and workshops provide insights from industry experts, fostering collaboration and networking. Evaluation ensures engagement and proficiency, with certification acknowledging successful completion. FDPs cultivate a culture of research excellence within academic institutions, empowering faculty to contribute meaningfully to pharmacy education and advance pharmaceutical sciences, ultimately enhancing healthcare outcomes through innovation and evidence-based practice.
