AVANTHI INSTITUTE OF PHARMACEUTICAL SCIENCES
Gunthapally (V), Abdullapurmet (M),
R.R. Dist. Telangana.

The Avanthi Institute of Pharmaceutical Sciences is happy to announce the creation of the Internal Quality Assurance Cell (IQAC). The establishment of the IQAC is a critical step in guaranteeing and improving the caliber of instruction and institutional procedures at our college.

The college set up the IQAC cell and its members in accordance with the NAAC Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions.

The principal objective of the IQAC is to promote and elevate the caliber of instruction, research, and administrative procedures in order to satisfy international benchmarks for superiority in pharmacy education. The goal of the IQAC is to attain and maintain excellence in all administrative and academic endeavors.

A committed group of passionate and seasoned professionals will make up the IQAC, and they will be in charge of several facets of quality control. Among their duties and roles are:

1. Chairperson:

- Lead and oversee the functioning of the IQAC.
- Convene and preside over IQAC meetings.
- Ensure the implementation of quality initiatives and policies.

2. Coordinator:

- Coordinate and facilitate IQAC activities.
- Maintain records of IQAC meetings and action plans.
- Communicate with stakeholders about IQAC activities and developments.

3. Faculty Representatives:

- Collaborate with other faculty members to implement quality assurance measures.
- Collect and analyze feedback from students and other stakeholders.
- Suggest improvements in teaching methodologies and curriculum.

4. Administrative Staff Representatives:

- Assist in the maintenance of infrastructure and facilities.
- Support the organization of academic and administrative activities.
- Help in the collection and documentation of data related to quality assurance.

5. Student Representatives:

- Provide feedback on the quality of teaching, facilities, and campus life.
- Participate in quality enhancement initiatives and projects.
- Act as a bridge between students and the IQAC.

6. External Expert(s):

- Engage external experts in quality assessment and improvement.
- Seek their guidance and recommendations for enhancing the quality of education.

Functions And Responsibilities

The composition of the IQAC will depend on the size and complexity of the institution, accordingly the representation of teachers may vary. It helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities. The guidelines given here are only indicative and will help the institutions for quality sustenance activities.

The membership of such nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-third of the total number of members.

The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically in a retrievable format. It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken.

A few of them are listed below:

- It is advisable to choose persons from various backgrounds who have earned respect for integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- It is advisable to change the coordinator after two to three years to bring new thoughts and activities in the institution.

- It would be appropriate to choose as senior administrators, persons in charge of institutional services such as library, computer center, estate, student welfare, administration, academic tasks, examination and planning and development.
- The management representative should be a person who is aware of the institution's objectives, limitations and strengths and is committed to its improvement. The local society representatives should be of high social standing and should have made significant contributions to society and in particular to education.
