Report on Poster Presentation Competition on Gender Issues

Title of Event : "Poster Presentation Competition on Gender Issues"
Venue : Seminar hall
Date : 15-06-2019
Time : 10.00 AM
Organized by : Management, AIPS
No. of students : 40 Students

The Institute has organized 'Posters Presentation Competition on Gender Issues' for the students in the seminar hall on 15-06-2019. The main Motto for organizing this competition is to create awareness among the students that women are no less than men. Gender Equality is when people of all genders have equal rights, responsibilities and opportunities. Everyone is affected by gender inequality- women, then, transgender, gender diverse people, children and families. Societies that value women and men as equal are safer and healthier. Gender equality is a human rights issue.

Women have been continuously denied of basic human rights such as education and equality. Through this competition, the management wanted to convey a message that women are no less than men. They have equal opportunities in all matters namely-religion, economy, education, culture, and polity. This competition does not only talk about the rights of women but also talks about how the women have been discriminated at home, in education and workplace. Women have also been discriminated in opting for arts such as dance, music as well as in sports.

Report on Sports and Games competition

Title of Event: Sports and Games competition

Venue: College ground

Date: 20-07-2019

Time: 10.00 AM to 4.00PM

No. of participants: 225 students

The Institute has organized Sports and Games competition to students on 20-07-2019 in the college ground. The competition took place under the guidance of Mr. A. Raja Shekhar, Assistant professor, and AIPS. The competition was conducted to build sportive nature among the students. Sports help them learn life skills such as teamwork, leadership, accountability, patience, self-confidence and prepares them to face life challenges. Games explore and test students' skills, efforts and teach them to develop new ways of managing the obstacles. Games and Sports give us encouragement to face all the hard challenges of life. They improve our physical stamina and mental strength which make us more productive and agile. Those who do not take up sports and games in their daily life end up as dull, boring, and pessimistic individuals.

Students have enthusiastically participated in a variety of sports and games such as Kabaddi, Basketball, Volleyball and Chess. Outdoor games help students build a strong and healthy physique; In-door games help build their mental agility and discipline. The qualities and skills which sports teach are useful to us to face life's challenges and problems.

Along with the faculty members, 55 female and 50 male students participated in the event.

Prizes were distributed to the winners of various competitions at the end of the program.

She has also enlightened the audience about different rights Indian Constitution provides to its citizens. Mrs. Manjula, added stating that many of them are unaware of their rights and emphasizes the need for everyone to know their rights. She quoted many incidents to exemplify the rights of women. She concluded by saying that right to education is a recognized right under human rights law. Mrs. Manjula, urged all the students to opt for higher education as education reduces inequality in society and helps them to build a better future for themselves and for their families. She has enlightened the women staff and students and guided them to concentrate on areas which are most crucial to their well being.

The rights of women are not automatically guaranteed as they have to be fought for and attained in a discriminatory society. Women should have an agency to achieve their due share in a male-dominated world. It is the responsibility of the governments, institutions and society to ensure that women have the right platform for voicing their concerns and fighting for their rights. Though some organizations like NCW, other such bodies at the state level, activists, and voluntary organizations for women provide agency to women, we need more platforms for championing the rights of women. Along with the faculty members, 50 female and 50 male students participated in the event.

Report on International Women's Day

Title of Event: International Women's Day Celebration

Venue: Seminar hall

Date: 08-03-2020

Time: 10.00 AM

Guest: Dr. Y. Jayaprada, Director

No. of participants: 100 students

The Institute organized International Women's Day celebration in the college seminar hall on 8-03-2020. Dr. Y. Jayaprada, Senior lecturer, AIPS was the Chief Guest. She said that, it is a great responsibility to empower women as it is necessary for gender equality. She added that, in the past, women were restricted to homes and were not permitted to step out of their home for work. But now, women are given an equal opportunity to work and are allowed to stand among, and, at times, ahead of men in many fields.

Dr. Y. Jayaprada, feels that gender justices and fair representation is still a distant dream in a male dominated world. Though women are increasingly storming the male bastions, there are still many barriers for women to draw level with men. Women are still under represented, under paid, exploited and discriminated against in various walks of life.

A male chauvinistic attitude and a patriarchal mind-set is not helping address the long pending the grievances and demands of women. Unless there is a transformation in the mind-set and attitudes of the society in general, we cannot ensure a level playing field and fair treatment of the fair sex.

Women should have the freedom of choice to make their own choices. As it is the case freedom is rarely given to the oppressed by the oppressors, it has to be fought for and attained after a long and hard fought battle. For this to happen, women should have the agency and support to get their rightful share. Awareness, agitation, agency and legislation will go a long way in alleviating the subordinate condition of women across the world.

Women deserve the dignity as equal human beings and not as a weaker gender. It is high time that our world a knowledge the equal contribution of women to the betterment of humankind. The speech resonated well with the audience. Everybody lauded the guest for an exceptional speech.

The institute conducted Miss Avanthi , a beauty pageant competition, in the college serninar hall on the occasion. Dr. Y. Jayaprada,, handed over the medals to the winners of beauty pageant competition. Later, Mr. Rama Krishna , HOD BPharmacy Department felicitated the guest with a shawl and honored her with an memento as a token of gratitude.
