### ABOUT Avanathi Educational Society

Avanathi Educational Society's, was established in the year 1991 with a vision to develop highly skilled professional with ethics & human values. Today the society has 20 higher educational institutes under its umbrella. This includes ten arts, commerce and science colleges, six engineering colleges, two management institutes, and two pharmacy colleges.

### ABOUT INSTITUTE

Avanathi Institute of Pharmaceutical Sciences was established in the academic year 2007-08 with the approval of PCI, and affiliated to JNTU, Hyderabad. We are committed to provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent pharmacist, technology innovators, managers and leaders in a global society through a cohesive network for the parents, students, college staff and industry.

### ABOUT DEPARTMENT

The Department of Pharmacy is a specialized academic unit focused on the study of pharmaceutical sciences, drug discovery, and drug development. It educates students in medication use, pharmaceutical research, and patient care. Faculty engage in cutting-edge research to advance drug development and improve healthcare outcomes.

### COURSE CONTENT

- Experimental Design
- Animal Models
- Dose-response Relationships
- Pharmacokinetics
- Pharmacodynamics
- In vitro Studies

### RESOURCE PERSONS

A.Venkat Rathnam, Associate Professor,  
Netaji Institute of Pharmaceutical Sciences,  
Hyderabad

### COURSE FEE

Course registration fee:

Student : Rs. 300/-

### HOW TO APPLY/REGISTRATION

Scanned application forms should be send through e-mail for conformation before the Scheduled programme date & Spot Registration available .

E-mail: [aipsgcourses@gmail.com](mailto:aipsgcourses@gmail.com)

Fee shall be paid by cash and duly filled applications in the prescribed format should be submitted to the coordinator on or before the programme date.

### WORKSHOP ON RESEARCH METHODS IN EXPERIMENTAL PHARMACOLOGY 22<sup>nd</sup> July 2018

ORGANIZED BY

### DEPARTMENT OF PHARMACY & PHARMACY PRACTICE

Avanathi Educational Society's  
**AVANTHI INSTITUTION OF  
PHARMACEUTICAL SCIENCES**

*[Handwritten signature]*  
- Principal  
Avanathi's Institute of Pharmaceutical Sciences  
Gunthapalli (V) Abdullapurmet (M)  
Ranga Reddy Dist.

## ABOUT THE PROGRAM

The Workshop on Research Methods in Experimental Pharmacology provides a comprehensive overview of techniques and approaches used to investigate the effects of drugs on biological systems. Participants gain insights into experimental design, dose-response relationships, pharmacokinetics, and pharmacodynamics. The workshop covers the use of animal models, in vitro methods, and statistical analysis in pharmacological research. Ethical considerations and reproducibility are emphasized throughout. Through lectures, hands-on demonstrations, and interactive discussions, attendees acquire practical skills and theoretical knowledge essential for conducting rigorous and ethical pharmacological research. The workshop fosters interdisciplinary collaboration and promotes the development of effective therapies through sound scientific methods.

## ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary. Specific institutions may have additional requirements.

**PRINCIPAL**  
Avanathi Institute of Pharmaceutical Sciences  
Gunthapalli (V), Hanamkonda Nagar (M),  
Ranga Reddy Dist.

## ABOUT THE PROGRAM

The seminar on Proper Animal Handling & Good Research Practices provides comprehensive guidance on ethically and scientifically sound practices in animal research. Participants learn about ethical considerations, proper handling techniques, and the importance of maintaining animal welfare. The seminar emphasizes the necessity of training personnel, monitoring animal health, and employing anesthesia and analgesia when appropriate. Through interactive sessions and case studies, attendees gain practical knowledge to ensure the humane treatment of animals and the integrity of research outcomes, fostering responsible scientific inquiry.

## ABOUT THE PROGRAM

The seminar on "A Research on Herbal Medicine: Current Trends and Future Prospects" delves into the latest developments in herbal medicine, examining its efficacy, safety, and market trends. Participants explore the integration of traditional knowledge with modern scientific research, emphasizing evidence-based practices and quality control measures. Discussions also encompass regulatory frameworks, clinical trials, and emerging research directions. Through interactive sessions and expert insights, attendees gain a comprehensive understanding of herbal medicine's current landscape and its potential role in shaping the future of healthcare.
