R.R. Dist. Telangana.

ABOUT Avanathi Educational Society

Avanathi Educational Society's, was established in the year 1991 with a vision to develop highly skilled professional with ethics & human values. Today the society has 20 higher educational institutes under its umbrella. This includes ten arts, commerce and science colleges, six engineering colleges, two management institutes, and two pharmacy colleges.

ABOUT INSTITUTE

Avanathi Institute of Pharmaceutical Sciences was established in the academic year 2007-08 with the approval of PCI, and affiliated to JNTU, Hyderabad. We are committed to provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent pharmacist, technology innovators, managers and leaders in a global society through a cohesive network for the parents, students, college staff and industry.

ABOUT DEPARTMENT

The Department of Pharmacy is a specialized academic unit focused on the study of pharmaceutical sciences, drug discovery, and drug development. It educates students in medication use, pharmaceutical research, and patient care. Faculty engage in cutting-edge research to advance drug development and improve healthcare outcomes.

COURSE CONTENT

- Securing Funding
- Licensing Agreements
- Venture Capital Investment
- IP Valuation
- IP-Based Financing Instruments
- Risk Management

RESOURCE PERSONS

D. Madhava Reddy, Assistant Professor,
Scient Institute of Pharmacy, Hyderabad

COURSE FEE

Course registration fee:

Student : Rs. 300/-

HOW TO APPLY/REGISTRATION

Scanned application forms should be send through e-mail for conformation before the Scheduled programme date & Spot Registration available .

E-mail: aipsgcourses@gmail.com

Fee shall be paid by cash and duly filled applications in the prescribed format should be submitted to the coordinator on or before the programme date.

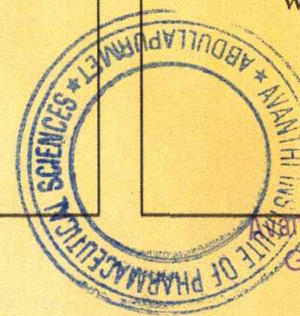

VIRTUAL WEBINAR
ON
**INTELLECTUAL PROPERTY RIGHTS
AND FINANCING**
25th June 2020

ORGANIZED BY

DEPARTMENT
OF
PHARMACY & PHARMACY PRACTICE

Avanathi Educational Society's
**AVANTHI INSTITUTE OF
PHARMACEUTICAL SCIENCES**
Gunthapalli (V), Abdullapurmet (M),
Dist. – Ranga Reddy, 501512
Website: - www.aipsg.ac.in

- PRINCIPAL
Avanathi's Institute of Pharmaceutical Sciences
Gunthapalli (V), Hayath Nagar (M),
Ranga Reddy Dist.

ABOUT THE PROGRAM

The seminar on Intellectual Property Rights and Financing explores the symbiotic relationship between innovation protection and financial strategies. Participants delve into leveraging patents, trademarks, and copyrights to secure funding, emphasizing IP valuation and licensing agreements. Venture capital investment dynamics, innovative IP-backed financing instruments, and risk management strategies are highlighted. Regulatory compliance and international considerations in IP management are also discussed, offering insights to stakeholders navigating the intersection of intellectual property and finance.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary. Specific institutions may have additional requirements.

VENUE:

DEPARTMENT OF PHARMACY

AVANTHI INSTITUTE OF
PHARMACEUTICAL SCIENCES,
NEAR RAMOJI FILM CITY,
GUNTAPALLY (V),
ABDULLAPURMET (M),
HYDERABAD.

REPORTING TIME : 9AM, 25th June 2020

ABOUT THE PROGRAM

The seminar on Current Research in Pharmacovigilance delves into cutting-edge methodologies and advancements shaping drug safety surveillance. Attendees explore innovative approaches in data mining and signal detection, leveraging big data analytics and AI techniques. Topics include risk assessment, pharmacogenomics, and patient-reported outcomes, highlighting the intersection of genetics and drug safety. Automation and global collaboration initiatives are also discussed, reflecting the evolving landscape of pharmacovigilance research. The seminar offers insights into enhancing drug safety monitoring and regulatory decision-making processes.

ABOUT THE PROGRAM

The seminar on Recent Advances in Mucoadhesive Dosage Forms explores cutting-edge research in targeted drug delivery systems. Attendees delve into nanotechnology, hydrogels, and bioinspired adhesives, discussing their applications for sustained drug release and enhanced therapeutic efficacy. Novel polymers, mucus penetration enhancers, and smart mucoadhesive systems are also highlighted for their potential in overcoming biological barriers and optimizing drug delivery. The seminar serves as a platform for interdisciplinary collaboration and knowledge exchange to advance the field of mucoadhesive drug delivery.

ABOUT THE PROGRAM

The seminar on Research Designs for the Development of Pharmacosomes offers insights into innovative strategies for targeted drug delivery systems. Attendees explore lipid composition optimization, drug-lipid interaction studies, and surface modification techniques to enhance pharmacosome characteristics. Characterization methods and biological evaluation approaches are discussed to ensure formulation stability and efficacy. Additionally, the seminar covers scale-up and manufacturing considerations, therapeutic applications, and regulatory compliance. This seminar serves as a platform for researchers and industry experts to exchange knowledge and advance the development of pharmacosome-based drug delivery systems.
