

3.2.2. Total number of workshops/seminars conducted on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship for the academic year 2021-2022.

Year	Name of the seminar	Number of Participants	Date	Page. No
2021-2022	Seminar on "Research on HIV drugs"	110	08-07-2021	3-4
2021-2022	Seminar on "Research on food item used to boost the immune system against corona virus"	85	24-07-2021	5-6
2021-2022	Seminar on "Basics in Pharmaceutical Organic chemistry and its use in Research"	93	11-08-2021	7-8
2021-2022	Seminar on "Patent rights in India"	110	26-08-2021	9-10
2021-2022	Seminar on "Selection of research topic through literature survey"	75	08-09-2021	11-12
2021-2022	Seminar on "Drafting of research and review paper for indexed journals"	80	23-09-2021	13-14
2021-2022	Seminar on "Opportunities of pharmacy graduates and entrepreneurship"	100	06-10-2021	15-16
2021-2022	Seminar on "Research on Irrational use of Antibiotics"	65	27-10-2021	17-18
2021-2022	Seminar on "Recent trends in Prodrug research"	92	10-11-2021	19-20
2021-2022	Seminar on "Natural treatment and its research against COVID 19"	92	18-11-2021	21-22
2021-2022	Seminar on "Research Guidelines for the manufacturing of new drug substances and new drug products"	120	20-12-2021	23-24
2021-2022	Seminar on "Career Developments in Research"	95	24-12-2021	25-26

ABOUT Avanathi Educational Society

Avanathi Educational Society's, was established in the year 1991 with a vision to develop highly skilled professional with ethics & human values. Today the society has 20 higher educational institutes under its umbrella. This includes ten arts, commerce and science colleges, six engineering colleges, two management institutes, and two pharmacy colleges.

ABOUT INSTITUTE

Avanathi Institute of Pharmaceutical Sciences was established in the academic year 2007-08 with the approval of PCI, and affiliated to JNTU, Hyderabad. We are committed to provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent pharmacist, technology innovators, managers and leaders in a global society through a cohesive network for the parents, students, college staff and industry.

ABOUT DEPARTMENT

The Department of Pharmacy is a specialized academic unit focused on the study of pharmaceutical sciences, drug discovery, and drug development. It educates students in medication use, pharmaceutical research, and patient care. Faculty engage in cutting-edge research to advance drug development and improve healthcare outcomes.

COURSE CONTENT

- Antiretroviral Therapy (ART)
- Drug Resistance
- Long-Acting Formulations
- Combination Therapies
- HIV Cure Research
- Pre-Exposure Prophylaxis (PrEP)

RESOURCE PERSONS

Dr. ML Sai Kumar, Professor,
TRR College of Pharmacy, Hyderabad

COURSE FEE

Course registration fee:

Student : Rs. 300/-

HOW TO APPLY/REGISTRATION

Scanned application forms should be send through e-mail for conformation before the Scheduled programme date & Spot Registration available .

E-mail: aipsgcourses@gmail.com

Fee shall be paid by cash and duly filled applications in the prescribed format should be submitted to the coordinator on or before the programme date.

SEMINAR
ON
RESEARCH ON HIV DRUGS
08th July 2021

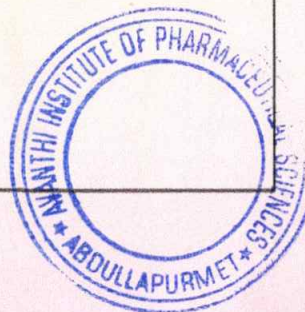

ORGANIZED BY

DEPARTMENT
OF
PHARMACY & PHARMACY PRACTICE

Avanathi Educational Society's
**AVANTHI INSTITUTION OF
PHARMACEUTICAL SCIENCES**
Gunthapalli (V), Abdullapurmet (M),
Dist. – Ranga Reddy, 501512
Website: - www.aipsg.ac.in

- PRINCIPAL
Avanathi Institute of Pharmaceutical Sciences
Gunthapally (V), Hayath Nagar (M),
Ranga Reddy Dist.

ABOUT THE PROGRAM

"Join our seminar on cutting-edge HIV drug research, where experts discuss advancements in antiretroviral therapy, drug resistance mechanisms, and novel treatment strategies. Discover the latest developments in long-acting formulations, combination therapies, and innovative approaches towards finding an HIV cure. Explore topics like pre-exposure prophylaxis (PrEP), microbicides, vaccine development, and addressing global access challenges. Don't miss this opportunity to stay informed and engaged in the forefront of HIV drug research."

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary. Specific institutions may have additional requirements.

ABOUT THE PROGRAM

The seminar on Basics in Pharmaceutical Organic Chemistry and Its Use in Research provides a comprehensive overview of fundamental concepts in organic chemistry relevant to pharmaceutical sciences. Attendees will explore key principles, reactions, and applications essential for drug discovery and development. Topics include molecular structure, functional groups, synthesis methods, and their significance in pharmaceutical research. Through lectures and interactive sessions, participants will gain insights into the synthesis and design of pharmacologically active compounds, equipping them with valuable knowledge for advancing drug development initiatives.

ABOUT THE PROGRAM

The seminar on Selection of Research Topic through Literature Survey offers insights into the crucial process of identifying research areas via comprehensive literature review. Attendees will learn effective strategies for navigating academic databases, evaluating existing literature, and identifying gaps or areas ripe for exploration. Topics include formulating research questions, refining topics based on existing knowledge, and aligning with current trends. Through interactive sessions, participants will gain practical skills in critically analyzing literature to select research topics that are novel, relevant, and feasible for investigation.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. ABOUT Avanathi Educational Society

Avanathi Educational Society's, was established in the year 1991 with a vision to develop highly skilled professional with ethics & human values. Today the society has 20 higher educational institutes under its umbrella. This includes ten arts, commerce and science colleges, six engineering colleges, two management institutes, and two pharmacy colleges.

ABOUT INSTITUTE

Avanathi Institute of Pharmaceutical Sciences was established in the academic year 2007-08 with the approval of PCI, and affiliated to JNTU, Hyderabad. We are committed to provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent pharmacist, technology innovators, managers and leaders in a global society through a cohesive network for the parents, students, college staff and industry.

ABOUT DEPARTMENT

The Department of Pharmacy is a specialized academic unit focused on the study of pharmaceutical sciences, drug discovery, and drug development. It educates students in medication use, pharmaceutical research, and patient care. Faculty engage in cutting-edge research to advance drug development and improve healthcare outcomes.

ABOUT THE PROGRAM

The seminar on Opportunities for Pharmacy Graduates and Entrepreneurship explores the diverse career paths and entrepreneurial prospects available to pharmacy graduates. Participants will learn about emerging trends in the pharmaceutical industry, including roles in research and development, regulatory affairs, clinical pharmacy, and healthcare management. Additionally, the seminar will provide insights into the steps and resources necessary for starting and managing a successful pharmacy-related business. Through interactive discussions and case studies, attendees will gain valuable knowledge and inspiration to pursue their professional aspirations in pharmacy and entrepreneurship.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary. Specific institutions may have additional requirements.

ABOUT THE PROGRAM

The seminar on Research on Irrational Use of Antibiotics delves into the critical issue of antibiotic misuse and its implications. Attendees will explore the prevalence, determinants, and impact of irrational antibiotic use on patient health and antimicrobial resistance. Additionally, the seminar will discuss effective interventions, such as antibiotic stewardship programs and behavioral interventions, to promote rational antibiotic prescribing practices. Through case studies and evidence-based discussions, participants will gain insights into tackling this pressing global health challenge.

ABOUT Avanathi Educational Society

Avanathi Educational Society's, was established in the year 1991 with a vision to develop highly skilled professional with ethics & human values. Today the society has 20 higher educational institutes under its umbrella. This includes ten arts, commerce and science colleges, six engineering colleges, two management institutes, and two pharmacy colleges.

ABOUT INSTITUTE

Avanathi Institute of Pharmaceutical Sciences was established in the academic year 2007-08 with the approval of PCI, and affiliated to JNTU, Hyderabad. We are committed to provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent pharmacist, technology innovators, managers and leaders in a global society through a cohesive network for the parents, students, college staff and industry.

ABOUT DEPARTMENT

The Department of Pharmacy is a specialized academic unit focused on the study of pharmaceutical sciences, drug discovery, and drug development. It educates students in medication use, pharmaceutical research, and patient care. Faculty engage in cutting-edge research to advance drug development and improve healthcare outcomes.

COURSE CONTENT

- Safeguarding Indigenous Knowledge
- Prior Art Challenges
- Novelty and Non-obviousness
- Intellectual Property Rights
- Community Engagement
- Policy and Legal Frameworks

RESOURCE PERSONS

Dr.P J Prasuna Sundari, Professor,
Sri Venkateshwara College of Pharmacy,
Hyderabad.

COURSE FEE

Course registration fee:

Student : Rs. 300/-

HOW TO APPLY/REGISTRATION

Scanned application forms should be send through e-mail for conformation before the Scheduled programme date & Spot Registration available .

E-mail: aipsgcourses@gmail.com

Fee shall be paid by cash and duly filled applications in the prescribed format should be submitted to the coordinator on or before the programme date.

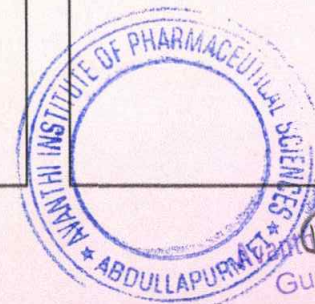

SEMINAR ON PATENTING ASPECTS OF TRADITIONAL KNOWLEDGE 24th APRIL 2022

ORGANIZED BY

DEPARTMENT OF PHARMACY & PHARMACY PRACTICE

Avanathi Educational Society's
**AVANTHI INSTITUTION OF
PHARMACEUTICAL SCIENCES**
Gunthapalli (V), Abdullapurmet (M),
Dist. – Ranga Reddy, 501512
Website: - www.aipsg.ac.in

PRINCIPAL
Institute of Pharmaceutical Sciences
Gunthapalli (V), Hayath Nagar (M),
Ranga Reddy Dist

ABOUT THE PROGRAM

The seminar on Patenting Aspects of Traditional Knowledge explores the complex intersection of intellectual property rights and traditional knowledge. Participants delve into the challenges and opportunities surrounding the protection of traditional knowledge through patents, focusing on issues such as prior art, novelty, and non-obviousness. Discussions also cover legal frameworks, case studies, and best practices for safeguarding traditional knowledge while promoting innovation and equitable benefit-sharing. Through expert insights and interactive sessions, attendees gain a nuanced understanding of the patenting landscape in the context of traditional knowledge.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary. Specific institutions may have additional requirements.

VENUE:

DEPARTMENT OF PHARMACY

AVANTHI INSTITUTE OF
PHARMACEUTICAL SCIENCES,
NEAR RAMOJI FILM CITY,
GUNTAPALLY (V),
ABDULLAPURMET (M),
HYDERABAD.

REPORTING TIME : 9:30 AM, 24th APRIL 2022

ORGANIZING COMMITTEE

CHIEF- PATRONS

Sri. M. Srinivasa Rao, Founder
Chairman, Avanthi Group of Institutions
Smt. M. Gnaneshwari- President
Mr. M. Nandesh – Vice-President
Dr. Priyanka, General Secretary
Sri. I. Shravan Kumar, Managing Director

PATRONS

Dr. Y. Jaya Prada,
Director – HR

CONVENOR

Dr. K. Balaji,
Principal-AIPS

CO-CONVENOR

Dr. Nihar Ranjan Das
Vice Principal, Pharmacy
Dr. M. Rama Krishna
HOD, B. Pharmacy

ORGANIZING COMMITTEE MEMBERS

P. Nagaraju, Associate Professor, Pharmacy
P. Lavanya, Associate Professor, Pharmacy

SEMINAR ON RESEARCH ADVANCEMENTS IN LIPOSOMES AND NIOSOMES 15th JUNE 2022

ORGANIZED BY

DEPARTMENT OF PHARMACY & PHARMACY PRACTICE

Avanathi Educational Society's
**AVANTHI INSTITUTION OF
PHARMACEUTICAL SCIENCES**
Gunthapalli (V), Abdullapurmet (M),
Dist. – Ranga Reddy, 501512
Website: - www.aipsg.ac.in

PRINCIPAL
Avanathi's Institute of Pharmaceutical Sciences
Gunthapally (V), Hayath Nagar (M),
Ranga Reddy Dist.

ABOUT THE PROGRAM

The seminar on Research Advancements in Liposomes and Niosomes explores cutting-edge developments in nanotechnology-based drug delivery systems. Attendees delve into the latest research on liposomes and niosomes, focusing on their design, formulation, and applications in drug delivery. Discussions cover topics such as targeted delivery, controlled release, and overcoming biological barriers. Through presentations by leading experts and interactive sessions, participants gain insights into the potential of these innovative nanocarriers for improving drug efficacy, reducing side effects, and advancing personalized medicine.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary.
