

3.2.2. Total number of workshops/seminars conducted on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship for the academic year (2022-2023).

| Year | Name of the workshop/ seminar | Number of Participants | Date | Page. No |
|-----------|---|------------------------|------------|----------|
| 2022-2023 | Seminar on "Multidisciplinary research" | 110 | 15-07-2022 | 3-4 |
| 2022-2023 | Seminar on "Entrepreneurship & Innovation as career opportunity" | 90 | 27-07-2022 | 5-6 |
| 2022-2023 | Seminar on "Clinical research" | 82 | 10-08-2022 | 7-8 |
| 2022-2023 | Seminar on "Research on Cardiovascular drugs" | 105 | 26-08-2022 | 9-10 |
| 2022-2023 | Seminar on "Intellectual Property Rights" | 70 | 07-09-2022 | 11-12 |
| 2022-2023 | Seminar on "Stereochemistry of organic compounds and its involvement in drug research" | 93 | 22-09-2022 | 13-14 |
| 2022-2023 | Seminar on "Applied Research" | 95 | 05-10-2022 | 15-16 |
| 2022-2023 | Seminar on "Research relevant to Community Pharmacy" | 110 | 17-10-2022 | 17-18 |
| 2022-2023 | Seminar on "Combinatorial synthesis and its research" | 82 | 09-11-2022 | 19-20 |
| 2022-2023 | Seminar on "Research relevant to emerging of Sophisticated Instrumental techniques" | 80 | 17-11-2022 | 21-22 |
| 2022-2023 | Seminar on "Parenteral products & its research for the enhancement of drug bioavailability" | 80 | 14-12-2022 | 23-24 |
| 2022-2023 | Webinar on "Use of Computers in Pharmaceutical formulation and it Research" | 110 | 29-12-2022 | 25-26 |
| 2022-2023 | Seminar on " on Basic Concepts of Chemistry & its research" | 95 | 25-01-2023 | 27-28 |
| 2022-2023 | Seminar on "Research on enhancement of Drug solubility" | 95 | 01-02-2023 | 29-30 |
| 2022-2023 | Seminar on "Impact of Pharmacovigilance in Indian clinical Research" | 90 | 10-02-2023 | 31-32 |
| 2022-2023 | Seminar on "Entrepreneurial Mindset" | 82 | 11-03-2023 | 33-34 |
| 2022-2023 | Seminar on "Drug research using Rational drug design" | | 29-03-2023 | 35-36 |

ABOUT Avanathi Educational Society

Avanathi Educational Society's, was established in the year 1991 with a vision to develop highly skilled professional with ethics & human values. Today the society has 20 higher educational institutes under its umbrella. This includes ten arts, commerce and science colleges, six engineering colleges, two management institutes, and two pharmacy colleges.

ABOUT INSTITUTE

Avanathi Institute of Pharmaceutical Sciences was established in the academic year 2007-08 with the approval of PCI, and affiliated to JNTU, Hyderabad. We are committed to provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent pharmacist, technology innovators, managers and leaders in a global society through a cohesive network for the parents, students, college staff and industry.

ABOUT DEPARTMENT

The Department of Pharmacy is a specialized academic unit focused on the study of pharmaceutical sciences, drug discovery, and drug development. It educates students in medication use, pharmaceutical research, and patient care. Faculty engage in cutting-edge research to advance drug development and improve healthcare outcomes.

COURSE CONTENT

- Integration of Diverse Disciplines
- Holistic Understanding
- Synergy and Innovation
- Addressing Complex Challenges
- Translational Impact
- Collaborative Networks

RESOURCE PERSONS

Dr. N. Harishankar, Scientist,
NIN, Hyderabad.

COURSE FEE

Course registration fee:
Student : Rs. 300/-

HOW TO APPLY/REGISTRATION

Scanned application forms should be send through E-mail for conformation before the Scheduled programme date & Spot Registration available.

E-mail: aipsgcourses@gmail.com

Fee shall be paid by cash and duly filled applications in the prescribed format should be submitted to the coordinator on or before the programme date.

SEMINAR
ON
MULTIDISCIPLINARY RESEARCH
15th JULY 2022

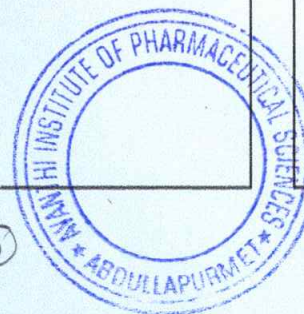

ORGANIZED BY

DEPARTMENT
OF
PHARMACY & PHARMACY PRACTICE

Avanathi Educational Society's
**AVANTHI INSTITUTION OF
PHARMACEUTICAL SCIENCES**

- PRINCIPAL
Avanathi's Institute of Pharmaceutical Sciences
Gunthapally (V), Hayath Nagar (M),
Ranga Reddy Dist.

ABOUT THE PROGRAM

The seminar on Multidisciplinary Research explores the integration of diverse disciplines to address complex scientific, social, and technological challenges. Participants delve into the benefits, methodologies, and challenges of conducting research that transcends traditional disciplinary boundaries. Discussions cover topics such as interdisciplinary collaboration, knowledge integration, and innovation at the intersection of multiple fields. Through presentations by experts from various disciplines, interactive workshops, and case studies, attendees gain insights into the importance of multidisciplinary approaches in tackling pressing global issues and fostering creativity and breakthrough discoveries.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary. Specific institutions may have additional requirements.

Gunthapally (V), Hayath Nagar (M),
Ranga Reddy Dist.

ABOUT THE PROGRAM

The seminar on Stereochemistry of Organic Compounds and Its Involvement in Drug Research explores the profound impact of stereochemistry on drug design, development, and pharmacological activity. Attendees delve into the principles of stereochemistry, including chirality, conformational analysis, and stereochemical descriptors, and their significance in drug discovery and optimization. Discussions cover topics such as stereoselective synthesis, chiral resolution, and stereochemical stability, as well as the role of stereochemistry in drug-receptor interactions, pharmacokinetics, and toxicity. Through case studies, interactive sessions, and expert presentations, participants gain insights into leveraging stereochemical considerations to enhance the efficacy, safety, and selectivity of pharmaceutical agents.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary. Specific institutions may have additional requirements.

VENUE:

ABOUT Avanathi Educational Society

Avanathi Educational Society's, was established in the year 1991 with a vision to develop highly skilled professional with ethics & human values. Today the society has 20 higher educational institutes under its umbrella. This includes ten arts, commerce and science colleges, six engineering colleges, two management institutes, and two pharmacy colleges.

ABOUT INSTITUTE

Avanathi Institute of Pharmaceutical Sciences was established in the academic year 2007-08 with the approval of PCI, and affiliated to JNTU, Hyderabad. We are committed to provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent pharmacist, technology innovators, managers and leaders in a global society through a cohesive network for the parents, students, college staff and industry.

ABOUT DEPARTMENT

The Department of Pharmacy is a specialized academic unit focused on the study of pharmaceutical sciences, drug discovery, and drug development. It educates students in medication use, pharmaceutical research, and patient care. Faculty engage in cutting-edge research to advance drug development and improve healthcare outcomes.

COURSE CONTENT

- **Practical Applications**
- **Industry Collaboration**
- **Solution-Oriented Approach**
- **Translational Impact**
- **Interdisciplinary Nature**
- **Evaluation and Feedback**

ABOUT THE PROGRAM

The seminar on Applied Research explores the practical applications and real-world implications of research findings across various disciplines. Attendees delve into case studies, industry collaborations, and projects that demonstrate how research outcomes can address specific challenges, improve processes, and drive innovation in diverse fields such as healthcare, technology, education, and sustainability. Discussions cover methodologies, best practices, and success stories in translating research into tangible outcomes, products, or services that benefit society and industry. Through presentations by experts, interactive workshops, and networking opportunities, participants gain insights and inspiration to leverage applied research for positive impact and practical solutions.

ABOUT THE PROGRAM

The seminar on Research Relevant to Community Pharmacy examines the role of research in advancing community pharmacy practice and improving patient care outcomes. Attendees explore various research topics pertinent to community pharmacy settings, including medication management, patient counseling, public health interventions, and pharmaceutical care services. Discussions cover methodologies, evidence-based practices, and innovative approaches to address healthcare disparities, promote medication adherence, and optimize pharmacy services within the community. Through presentations by pharmacy practitioners, researchers, and policymakers, participants gain insights into conducting impactful research that directly benefits patients, pharmacists, and the community at large.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. ABOUT Avanthi Educational Society

Avanthi Educational Society's, was established in the year 1991 with a vision to develop highly skilled professional with ethics & human values. Today the society has 20 higher educational institutes under its umbrella. This includes ten arts, commerce and science colleges, six engineering colleges, two management institutes, and two pharmacy colleges.

ABOUT INSTITUTE

Avanthi Institute of Pharmaceutical Sciences was established in the academic year 2007-08 with the approval of PCI, and affiliated to JNTU, Hyderabad. We are committed to provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent pharmacist, technology innovators, managers and leaders in a global society through a cohesive network for the parents, students, college staff and industry.

ABOUT DEPARTMENT

The Department of Pharmacy is a specialized academic unit focused on the study of pharmaceutical sciences, drug discovery, and drug development. It educates students in medication use, pharmaceutical research, and patient care. Faculty engage in cutting-edge research to advance drug development and improve healthcare outcomes.

COURSE CONTENT

- Atomic Structure
- Chemical Bonding
- Reaction Mechanisms
- Thermodynamics
- Experimental Techniques
- Interdisciplinary Applications

RESOURCE PERSONS

Mr. Krishnamurthy Naidu, Professor & HOD,
Govt Polytechnic College, Hyderabad.

(12)
- PRINCIPAL
Avanthi's Institute of Pharmaceutical Sciences
Gunthapalli (V), Hayath Nagar (M),
Ranga Reddy Dist.

ABOUT THE PROGRAM

The seminar on Basic Concepts of Chemistry & Its Research provides an overview of fundamental principles in chemistry and their applications in research. Participants explore key concepts such as atomic structure, chemical bonding, reaction mechanisms, and thermodynamics. Discussions cover research methodologies, experimental techniques, and interdisciplinary applications of chemistry in fields such as materials science, environmental science, and biochemistry. Through lectures, hands-on demonstrations, and interactive sessions, attendees gain foundational knowledge and insights into leveraging chemical principles to address complex scientific challenges and drive innovation.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary. Specific institutions may have additional requirements.

(Handwritten signature)
- PRINCIPAL
Avanathi Institute of Pharmaceutical Sciences
Gunthapally (V), Hayath Nagar (M),
Ranga Reddy Dist.

ABOUT THE PROGRAM

The seminar on Research on Enhancement of Drug Solubility delves into strategies to improve the solubility and bioavailability of poorly soluble drugs. Attendees explore innovative approaches such as nanoparticle formulations, solid dispersion techniques, and lipid-based delivery systems. Discussions cover methodologies, challenges, and applications in drug development, emphasizing the importance of solubility enhancement for improving drug efficacy and therapeutic outcomes. Through presentations by experts and case studies, participants gain insights into leveraging research to overcome solubility challenges and advance drug formulation science.

ABOUT THE PROGRAM

The seminar on Impact of Pharmacovigilance in Indian Clinical Research explores the role of pharmacovigilance in ensuring the safety and efficacy of drugs in clinical research conducted in India. Participants delve into regulatory requirements, adverse event reporting, and risk management strategies in compliance with Indian regulations and international standards. Discussions cover case studies, best practices, and challenges in pharmacovigilance implementation, highlighting its significance in safeguarding patient welfare and maintaining public trust in clinical research. Through expert presentations and interactive sessions, attendees gain insights into leveraging pharmacovigilance to enhance the quality and integrity of clinical trials in India.

ABOUT Avanathi Educational Society

Avanathi Educational Society's, was established in the year 1991 with a vision to develop highly skilled professional with ethics & human values. Today the society has 20 higher educational institutes under its umbrella. This includes ten arts, commerce and science colleges, six engineering colleges, two management institutes, and two pharmacy colleges.

ABOUT INSTITUTE

Avanathi Institute of Pharmaceutical Sciences was established in the academic year 2007-08 with the approval of PCI, and affiliated to JNTU, Hyderabad. We are committed to provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent pharmacist, technology innovators, managers and leaders in a global society through a cohesive network for the parents, students, college staff and industry.

ABOUT DEPARTMENT

The Department of Pharmacy is a specialized academic unit focused on the study of pharmaceutical sciences, drug discovery, and drug development. It educates students in medication use, pharmaceutical research, and patient care. Faculty engage in cutting-edge research to advance drug development and improve healthcare outcomes.

COURSE CONTENT

- Computational Methods
- Molecular Dynamics
- Docking Studies
- Quantitative Structure-Activity Relationship (QSAR)
- Lead Identification
- Drug Optimization

RESOURCE PERSONS

Dr. Vishwanatham, Professor,
Osmania University, Hyderabad.

COURSE FEE

Course registration fee:

Student : Rs. 300/-

HOW TO APPLY/REGISTRATION

Scanned application forms should be send through e-mail for conformation before the Scheduled programme date & Spot Registration available .

E-mail: aipsgcourses@gmail.com

Fee shall be paid by cash and duly filled applications in the prescribed format should be submitted to the coordinator on or before the programme date.

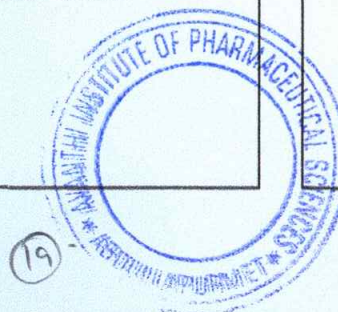

SEMINAR
ON
**DRUG RESEARCH-MOLECULAR
MODELLING**
20th APRIL 2023

ORGANIZED BY

DEPARTMENT
OF
PHARMACY & PHARMACY PRACTICE

Avanathi Educational Society's
**AVANTHI INSTITUTION OF
PHARMACEUTICAL SCIENCES**
Gunthapalli (V), Abdullapurmet (M),
Dist. – Ranga Reddy, 501512
Website: - www.aipsg.ac.in

PRINCIPAL
Avanathi's Institute of Pharmaceutical Sciences
Gunthapally (V), Hayath Nagar (M),
Ranga Reddy Dist.

ABOUT THE PROGRAM

The seminar on Drug Research - Molecular Modelling explores the integration of computational methods and molecular modelling techniques in pharmaceutical research. Participants delve into the principles of molecular dynamics simulations, docking studies, and quantitative structure-activity relationship (QSAR) analyses for drug discovery and optimization. Discussions cover applications in lead identification, virtual screening, and drug design, emphasizing the role of molecular modelling in predicting molecular interactions, optimizing drug candidates, and accelerating the drug development process. Through expert presentations and hands-on workshops, attendees gain insights into leveraging molecular modelling tools to drive innovation in drug research.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary. Specific institutions may have additional requirements.

VENUE:

DEPARTMENT OF PHARMACY

AVANTHI INSTITUTE OF
PHARMACEUTICAL SCIENCES,
NEAR RAMOJI FILM CITY,
GUNTAPALLY (V),
ABDULLAPURMET (M),
HYDERABAD.

REPORTING TIME : 9:30 AM, 20th APRIL 2023

ORGANIZING COMMITTEE

CHIEF- PATRONS

Sri. M. Srinivasa Rao, Founder
Chairman, Avanthi Group of Institutions
Smt. M. Gnaneshwari- President
Mr. M. Nandesh – Vice-President
Dr. Priyanka, General Secretary
Sri. I. Shravan Kumar, Managing Director

PATRONS

Dr. Y. Jaya Prada,
Director – HR

CONVENOR

Dr. K. Balaji,
Principal-AIPS

CO-CONVENOR

Dr. Nihar Ranjan Das
Vice Principal, Pharmacy
Dr. M. Rama Krishna
HOD, B. Pharmacy

ORGANIZING COMMITTEE MEMBERS

P. Nagaraju, Associate Professor, Pharmacy
P. Lavanya, Associate Professor, Pharmacy

ADDRESS FOR CORRESPONDENCE

Coordinator:
Dr. B. Manjula
HOD Pharmacy – D

SEMINAR ON QUANTITATIVE RESEARCH- SYSTEMATIC LITERATURE REVIEW 17th MAY 2023

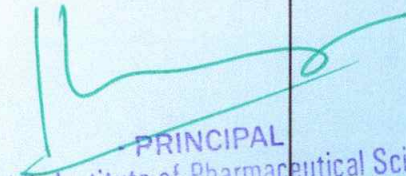

ORGANIZED BY

DEPARTMENT
OF
PHARMACY & PHARMACY PRACTICE

Avanathi Educational Society's
**AVANTHI INSTITUTION OF
PHARMACEUTICAL SCIENCES**
Gunthapalli (V), Abdullapurmet (M),
Dist. – Ranga Reddy, 501512
Website: - www.aipsg.ac.in

PRINCIPAL
Avanthi Institute of Pharmaceutical Sciences
Gunthapally (V), Hayath Nagar (M),
Ranga Reddy Dist.

ABOUT THE PROGRAM

The seminar on Quantitative Research - Systematic Literature Review explores the principles and methodologies of conducting rigorous systematic reviews of scientific literature. Participants learn techniques for defining research questions, searching databases comprehensively, and critically appraising studies for inclusion. Discussions cover meta-analysis, data synthesis, and statistical methods for summarizing findings from multiple studies. Through expert guidance and hands-on exercises, attendees gain skills in synthesizing evidence, identifying gaps in knowledge, and contributing to evidence-based practice and decision-making in their respective fields.

ELIGIBILITY :

Eligibility criteria for B Pharmacy typically include completing 10+2 with Physics, Chemistry, and Biology/Mathematics. M Pharmacy candidates usually require a B Pharmacy degree with a specified minimum percentage. For Pharma D, completion of 10+2 with Physics, Chemistry, and Biology/Mathematics is necessary. Specific institutions may have additional requirements.
