Sub: Requesting the incorporation of suggested changes in B.Pharmacy, M.Pharmacy (R-22), Pharm-D courses Curriculum.

Sir,

We, Avanthi Institute of Pharmaceutical Sciences, Gunthapally, would like to bring to your notice some of the suggestions of various stake-holders viz., student, faculty, alumni, employers feed-back on the relevance of the current curriculum to the job-market and ambience. As per the feed-back, we have come to the conclusion that a majority of the stakeholders from different branches of Pharmacy have asked for the incorporation of some changes and updating of the current curriculum to match the needs of the industry and the present job-market.

The following suggestions have been made by different stake-holders:

The various stakeholders have asked for the inclusion of need additional topics in ICT, needs more exposure to latest technologies, requires research inputs to meet industry needs, promote awareness on research and exposure to latest technologies, encourage interpersonal communication and soft skills, promote industry oriented programs, endorse hospital knowledge, promote recent advances in medical technology, need interactive sessions with Doctors and Health Care Professionals, external Trainings needed on skills for Job Opportunity, promote current medical technology course, adopt more online platforms. We have taken actions on provided suggestions.

In this regard, we would like to request to kindly look into the suggestions of the stakeholders and address the issue at the earliest.

Thank you,

Regards,

Sub: Requesting the incorporation of suggested changes in B.Pharmacy (R-17),
M.Pharmacy (R-19), Pharm-D courses Curriculum.

Sir,

We, Avanthi Institute of Pharmaceutical Sciences, Gunthapally, would like to bring to your notice some of the suggestions of various stake-holders viz., student, faculty, alumni, employers feed-back on the relevance of the current curriculum. As per the feed-back, we have come to the conclusion that a majority of the stakeholders from different branches of Pharmacy have asked for the incorporation of some changes and updating of the current curriculum to match the needs of the industry and the present job-market.

The following suggestions have been made by different stake-holders:

The various stakeholders have asked for the inclusion of motivation, extracurricular activities, guest lectures, student's interaction with industries, more knowledge on ICT platforms, career counselling and self-confidence program, knowledge on health and hygiene, green chemistry, importance of chromatography, exposure to latest technologies in industry and we have taken actions on provided suggestions.

In this regard, we would like to request to kindly look into the suggestions of the stakeholders and address the issue at the earliest.

Thank you,

Regards,
