Our company decided to promote the activity of training to the students with the help of VINAYAKA ENLIGHT PHARMACY ACADEMY, Hyderabad. We advised to guide students in GPAT training programs in this academy only. Because, it has a true and real time excellence in changing the game of GPAT merit of students through Academy efforts than the student knowledge. It has been proved since 2007. Please check the details separately attached sheets or information provided and our company suggests to commit in this regards by the **Avanthi Institute of Pharmaceutical Sciences**.

We develop a new kind of Community Pharmacy Practitioners Associations in India and Industrial Pharmacy. So, for the students **Avanthi Institute of Pharmaceutical Sciences** needs to cooperate for the empowerment of our activities of human resources development.

Avanthi Institute of Pharmaceutical Sciences should not allow druggist chains in to the institution in any occasions, events, meetings, conferences, seminars, etc that they influence human resources and our activity adversely the development of community pharmacy practice.

Avanthi Institute of Pharmaceutical Sciences should not allow any pressure groups in India like Indian Medical Associations, biased or disliked Pharmacy Associations also that are competitive to our **Sridhar's Health Care Private Limited** projects into the institution. Because, Druggists chains representing Chemists and Druggists Associations and Indian Medical Association, RMP Association, Pharmacy Competitors and National Ayush Medical Association (NAMA) are making damage and disliking the concept of Pharmacy Practice and also our **Sridhar's Health Care Private Limited** Projects. Our **Sridhar's Health Care Private Limited** have directors' family consultants of 2+18 IPS officers.

Celebrate **Avanthi Institute of Pharmaceutical Sciences** in association with our **Sridhar's Health Care Private Limited** or affiliated associations, to aware role of pharmacist in healthcare system in India; few occasions like World Pharmacy Day, Indian Doctors Day, Drug Information Pharmacist Day, Drug Information Centre Day and International Yoga Day.

These activities have to allow by the **Avanthi Institute of Pharmaceutical Sciences** to the **Sridhar's Health Care Private Limited** and abide these terms to success our company projects in skill development programs followed by successful recruitment of human resources in our company. We hope it will succeed with both of our efforts and planning and implementation. Thus, we are entering into our MoU between **Sridhar's Health Care Private Limited** and **Avanthi Institute of Pharmaceutical Sciences**.

Avanthi Institute of Pharmaceutical Sciences must promote our Sridhar's Health Care Private Limited publications and affiliated journals. From time to time {{Discount coupons}} will be issued to human resources and to the Avanthi Institute of Pharmaceutical Sciences. Ease of doing business must be present between both the parties.

Sridhar's Health Care Private Limited will organize various events like webinars, online programs, etc to human resources of Avanthi Institute of Pharmaceutical Sciences. Human resources have to attend those events without ignorance or failure.

After development of our clinical research projects at your place in hospitals or allopathic medical care establishments, our Sridhar's Health Care Private Limited is ready to take human resources of Avanthi Institute of Pharmaceutical Sciences into Internship programs and ready to provide stipend that is not less than 25,000/- Indian rupees per month in an Internship program of human resources. This decision will be taken by the Board of Directors of our company, when fulfills the satisfactory measures in level of skill development programs. Apart from these, our company will provide student research grants also as part of clinical research activities of pharmacy students during academic activities and internship programs with a specific area of work and assigned protocol of the company clinical research works. It is for encouragement and empowerment of human resources in health care.

We encourage government aided pharmacy colleges or private pharmacy colleges or government pharmacy colleges or trusts, associations or societies to approach Niti Aayog for skill development activities in collaboration with our company.

Skill development programs were designed from level -1 to level -10.

Therefore, we encourage Avanthi Institute of Pharmaceutical Sciences to establish Sridhar's Health Care Private Limited affiliated pharmacy professional association to get funds from Niti Aayog to empower skill development activities of human resources.

Any of the pressure groups in India should not be allowed by the Avanthi Institute of Pharmaceutical Sciences during implementation of this program. This is the minimum requirement to prevent hazards to the program. They will cause diversion of mind of human resources to migrate to other areas or companies. Therefore, it will cause damage to the entire program efforts. This will be minimized or prevented by the Avanthi Institute of Pharmaceutical Sciences till recruitment of skilled or trained human resources into our company completes. When limited skilled human resources will be recruited by the company as per needs or opportunities created; remaining human resources will be considered as reserves of our healthcare company, it is considered to be reserves of our company. Based on our reserves first preference will be given to them in the recruitment process, even when skill development programs are in progress. Unnecessary unemployment issues will not be raised and it should be avoided by the company based on the need of skill development program.

Our Sridhar's Health Care Private Limited training partner is Vinayaka Enlight Pharmacy Academy or V-Enlight Pharmacy Academy or it is also called as ENLIGHT PHARMACY ACADEMY. It is offering GATE since 2007 and GPAT training programs since 2010. It is providing some time free to merit students also since 2009 year. In GPAT-2015, it has provided free coaching to a pharmacy institution at Maharashtra. It will provide free coaching to sponsors.

After pandemic COVID-19, we designed online classes also for GPAT students. VINAYAKA ENLIGHT PHARMACY ACADEMY is evolving day to day to produce human resources to pharmaceutical industry and research in competent way. It has given training for D exams also. One candidate from that batch was selected to CDSCO.
